

We're building the World's first  
breath analysis platform to help people  
make smarter decisions, improve  
healthcare, and save lives. ▶

Your Breath. Your Health.™

mint™

It's simply amazing. By measuring the  
organic compounds in your mouth  
released by various bacteria, Mint helps  
you monitor the effectiveness of your  
oral maintenance routine, provides  
education for improvement, and tracks  
progress towards better oral health.

HOW DOES IT WORK?

WHAT DOES IT TELL YOU?

Lorem ipsum dolor sit amet
